

SENSE AND SENSIBILITY CONFERENCE

On

THE ORIGINS OF THE RUSSIA-NATO-UKRAINE WAR

Cambridge, UK.
April 2025

MEDIA SESSION

Topic

Main Category - Origins of the Russia-NATO-Ukraine war.

Participants can send in any media entries in regular mp3 or mp4 format from the perspectives of any Party involved.

A multidimensional approach to the main topic is encouraged through exploring the subtopics within the Philosophical Transactions category.

Size Regulations

There are currently no limitations to the size of entries.

Permissions

- * At the time of submission, please ensure, that the entries have proper authorisations in place for being a part of an educational conference.
- * Where the media entries are showcasing the work of an individual or entity other than the conference participant, please submit acquired authorisations from the creator of the content expressing a 'no-objection' to being a part of Conference entry.
- * If the content is freely available on the Internet, please indicate the source of the content.

Submissions

- * A digital copy of each entry is to be submitted with the abstract by the deadline.
- * The last date for receipt of the Media Abstracts is midnight 25th March 2025.
- * Please ensure the University or Institute Logos are clearly visible in any submissions.
- * Screens can be rented at a rental price of £20/screen of 15”.

Publications

Copies of the Screen submissions would be published on the Ground-D1t1 website post conference.
